

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA

EDGAR W. TUTTLE, ERIC BRAUN, and THE  
BRAUN FAMILY TRUST by its co-trustee  
ERIC BRAUN, on behalf of themselves and all  
others similarly situated,

Plaintiffs,

v.

SKY BELL ASSET MANAGEMENT, *et al*,

Defendants.

No. C 10-03588 WHA

**ORDER REQUIRING  
ADDITIONAL INFORMATION  
REGARDING PROPOSED  
SETTLEMENT**

The Court is trying to understand the plan of allocation. Class counsel shall submit a list of class members by name with the percentage ownership in each limited partnership in which said class member invested. A list with this information will need to be appended to the notice of proposed settlement that is mailed to class members so that class members will be able to determine their percentage of recovery under the proposed settlement and make an informed decision as to whether they seek to be bound by the settlement, if it is approved.

Please also answer the following: If there were one million dollars to be distributed to the three classes at issue and no one opted out, how would the settlement funds be distributed? The dollar amounts should be listed beside each investor's name along with the percentage. The

list and response to this question shall be submitted by **NOON ON APRIL 27, 2012**. The deadline for distributing class notice, previously set for April 23, 2012, is hereby **VACATED**.

**IT IS SO ORDERED.**

Dated: April 20, 2012.
